Brendan Burke, 13, of Barnet, Vt., gets an autograph from Josh Beckett at McGreevy's, home of the Big Mouth Beckett Burger. "Desperate Housewives" actor James Denton (below) gives the new burger a thumbs up.

Beckett burger brings the beef

Sox ace **Josh Beckett** was at McGreevy's yesterday as the Boylston Street bar unveiled its monstrous Big Mouth Beckett Burger, which weighs in at 1 pound, 9 ounces. (Beckett handed a pair of tickets to last night's game to a fan who managed to eat the giant meat patty.) Also there yesterday were bar co-owner **Ken Casey**, NESN's **Heidi Watney**, and "Desperate Housewives" star **James Denton**, who was chowing down.
